1. **Chairman's welcome address**

At the outset, Prof. (Dr) Avnish Kumar, Vice-Chancellor extended hearty welcome to the Members who came to attend 30<sup>th</sup> meeting of the Academic Council. He said that it is a great pleasure to see you all and seek the co-operation and assistance of members.

Hon'ble Vice-Chancellor said that the essence of University lies in academics and the University exists for academics but not for non-academics. The Chairman further apprised that drastic changes in the evaluation of University examinations have been made in the past years. The University, at present is on the state of full whoosh. A lot of changes have been initiated to bring the transparency and improve the existing examination system. The training programmes of all the colleges are closely monitored by the University.

The Academic Council is a very important body of the University. Therefore, it is his earnest desire to request you that all the affiliated and constituent colleges of the University, must make every effort to create an environment which raises the standard of education in terms of cultural and in term of academics. He emphasized that some induction and orientation programme for the students should also be introduced. The students are lacking in terms of academics and ethics. So, he expects from all affiliated institutions of this University that we must make efforts to inculcate the habit of ethics among the students and create an environment of academics so as to produce good medical professionals and make them to serve the humanity in a better way.

Hon'ble Vice-Chancellor directed Dr. SP Singh, Controller of Examinations to proceed with the Agenda.
